

# ***MMD INTRODUCES The Most Conservative Powerful, Dazzling, Brightest Affordable, Window Sales Technology for Business's Since Glass Was Invented!!***

**How Many Potential, Customers Drive or Walk by Your Windows 24/7 10,000-85,000??**

**USE YOUR WINDOW FOR WHAT IS WAS DESIGNED FOR, GETTING NEW CLIENTS TO COME IN!**

1x line of text or 2.  
Pages of your message text  
in animated eye catching professional  
conservative transitions "for business's  
who care what they look like"

### **STOP!**

#### **Wasting Advertising \$\$**

on paper advertising, SBA report says  
"Yellow pages & other expensive paper  
advertising, flyers etc. only give you  
approx a return of 1% that's 99% of  
waste.

Mandex LED MESSAGE SIGNS will  
give you a **15-25%** increase of walk in  
traffic.

The SBA report says

*"In this fast moving age the best  
advertising a business can do is  
good on premise Signage"*

## **THE Movement Grabs Attention, Your Window Will Sell4u 24/7**

### **Motivate, Captivate, Stimulate, & Communicate & Sell Sell Sell!**

Grab Attention & Hold It

Talk to the Traffic 24/7

Add Impact, Color, Motion

Add Your Information.....

The only Ammunition you need are your words...

Cut Down/ Eliminate Outside Paper Advertising.

The Brightest Most Powerful Quality LEDs in the Industry

Use Your Message Scheduler to Change Messages Hourly Daily

Its Hard To Get By This Display Without Reading

"Specials, Services, years in business hours, welcome"

"Come in Now & save\$\$ on

Reach Prospects that are most likely to come in, that pass By 24/7

**The quality of a LED display is a lot like viewing teeth, when the LED lights are small clean even in color and close together, the words look smooth & attractive, it's all to do with the LED size & pitch.**

This "ISELL4U" LED Message display is designed in the USA with 30 years of research, another Mandex fine quality product, Is designed for professional business applications such as Medical, Lawyers, Insurance, and Mortgage, Real Estate Companies, Jewelers, Used by the MTA on their buses, built tough to last.
