

The Pursuit of
HAPPYNESS

SET DEC MEMO

FROM: Amina Dieye - Set Decoration
RE: LED SIGNS

On behalf of the Set Decorating Department we would like to thank Mandex Motion Displays for their 6'x10' LED signs with adjustable refresh rate that were featured in our Stock Brokerage Firm scene. They synchronized perfectly with the camera & there were no problems with the scan lines & braking up of the message. All went well. Thank you Alan!

Sincerely,

Amina Dieye
